

## Surgical Fees

### Cruciate Ligament Repair

**MRIT \$1100-1200**

**Tightrope \$1400-1600**

(The actual fees will depend on the length of time the ligament has been torn, the amount of arthritis present, the condition of the menisci, and the body weight of your pet.)

### Luxating Patellas \$1100-1300

### Bone Fractures

**Bone Plating \$1000-1500**

**External Fixators \$800-1000**

### Hip Dislocation / Dysplasia

**Femoral head and neck ostectomy (FHO) \$1000-1200**

**Toggle pin reduction \$1200-1400**

*These fees include initial examination, pre and post-surgical medications, intravenous fluids, anesthesia, surgery, vital signs monitoring, post surgical x-rays (if applicable), hospitalization, and suture removal.*

*Pre-anesthetic bloodwork at your regular veterinarian is required for all surgeries and pre-operative x-rays are required for some surgeries. We are happy to provide you with the requirements for your pet's specific surgery - feel free to call us at 989-729-6000.*
