

## On the Day of your Appointment

Please bring all current blood work and x-rays with you when you come

Withhold food from your pet 12 hours prior to surgery. It is OK and advisable to allow your pet access to water up to the time you arrive.

Please stop all pain medication the night before surgery. **STOP ALL ASPRIN AT LEAST 3 DAYS PRIOR TO SURGERY**

Continue all health related medication as normal. These could include: thyroid supplements, insulin, anti seizure meds, heartworm etc.

Your pet will most likely remain overnight following surgery. You may bring a blanket or something from home that will make your pet feel more at home.

Normal times for sending your pet home are between 9:00AM and 10:00am. If this is not possible, please let us know.

**Payment Policy:** Payment is expected when you arrive to pick up your pet. We accept cash, Master Card, Visa, Discover, and Care Credit. We are sorry but we do not accept personal checks. We offer a 5% discount if paid by cash, as there are no bank charges assessed to us.
